Welcome EPCC Families!

We are excited to resume Children’s Ministries at Elk Plain Community Church. With health and safety in mind, we have added the following polices. Before your child participates, you must agree to abide by these policies and provide consent for your student’s participation.

Volunteers will work to provide a healthy and safe environment.

- Face Coverings- Adult volunteers will be required to wear face shields or masks while mandated.
- Distancing- We will follow physical distancing.
- Supply Bags- We will provide separate supply bags for each student to minimize sharing.
- Hand Sanitizer- We will provide hand sanitizer to use before and during class.
- Ventilation- As weather permits, we will keep windows open for air flow.
- Cleaning & Disinfecting- The classroom will be cleaned with disinfectant after each class.

Parents/Guardians are to keep student out of class if they have experienced any of the following in the previous 7 days.

- A cough, shortness of breath or difficulty breathing
- Chills or a fever of 100.4°F or higher or a sense of having a fever in the past 3 days
- A sore throat or a new loss of taste or smell
- Muscle or body aches or unusual fatigue
- Nausea/vomiting/diarrhea
- Congestion/running nose – not related to seasonal allergies
- Been in close contact with anyone with suspected or confirmed COVID-19

Should volunteers notice any of these symptoms the student will be returned to their parent/ guardian.

If your student (or yourself as a volunteer) tests positive for COVID-19 and has been in attendance the preceding two weeks, we ask that you notify the church so we can take appropriate action. The identity of those who test positive will be kept confidential (unless you request it to be shared as a public prayer request, etc.).

We ask that your student(s) wear a face covering in this classroom setting (ages 6 and up) unless medical conditions or disabilities make them exempt. We will have extra face coverings available if needed.
